

Jamie Buchanan at Visual Perfection, Auto detailer in Morganton. Verbal Testimonial

He LOVES it.

When Dennis asked them how it worked, Jamie said, *"It works great!!! We couldn't be happier. It cleaned everything we threw in there."*

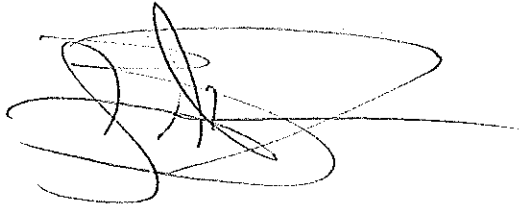

What types of things were on the rags?

*"We have rags that we use for three different purposes. Some have car wax on them that we use for waxing, some have paint thinner on them and some we use for polishing. Normally we have to wash them separately. We threw them all in together and they all came out clean!"*

What do they smell like?

*"They all smell clean!"*
