

Help with our mission
and get a \$375
FreshAir
Companion
for **FREE!***

It's perfect for

- ▷ a master bedroom
- ▷ the musty basement
- ▷ an office or study
- ▷ a kid's dorm
- ▷ any smaller area that needs fresher, cleaner air fast

Simply list 10 people you care about the most that you would recommend we send a FREE \$29.95 Healthy Home Check Up kit to that would then share their results as a part of our mission of testing 100,000,000 homes in America.

Select **10** people
that you
care about
the most

to do the Healthy Home Check Up for
FREE and share their results.

That's all it takes - help share the benefits
of a Healthy Home Check Up with ten people
you care about the most and Vollara will send you a
\$375.00 value FreshAir Companion absolutely

FREE!

All you need to do

is let your Vollara Mission Representative know you're interested
to help us and they will help you complete a short worksheet. Let your
10 people know that they will receive a free \$29.95 Check Up Kit.

The Vollara Mission Representative will take it from there,
and offer each person on your list the opportunity to complete their own
Healthy Home Check Up.

So, how do I get my reward for helping with the Mission?

Glad you asked! Once the 10 people from your list experiences the
Healthy Home Check Up process for themselves, your Free FreshAir
Companion with ActivePure will be on it's way to your home.

You can put the power of NASA-inspired technology to work in your home for free:
FreshAir with ActivePure are the only air purifiers officially recognized as Certified Space Technology.
